“Painting on the Ground is Hard Work”

So says our youngest painter and our unofficial “33”, six year old Michelle Burkland. On Saturday, February 11, 2006 the Florida Suncoast Chapter repainted the compass rose and the words “Sun ‘n Fun” at Lakeland Linder Airport in preparation for this April’s Sun ‘n Fun event. Airmarking chairman, Denise Rosenberger, organized two teams of chapter members to repaint these sites for the second time. Members Marie Grein, our SE Governor, Denise Goldberger, Marilyn Shafer, Susan Moore, chapter chairman Mary Fletcher, Barbara Yeninas and 49 John Yeninas, and Jeanne Burkland participated. The compass rose is not a functioning one. It serves as a decorative addition to the Sun ‘n Fun atmosphere and is located outside the Sun ‘n Fun building and on an adjoining taxiway. Two aircraft, including Pat Ohlsson and friend, flew in on a very blustery, pre-frontal day to help. Member Susan Moore flew in from Fort Myers with future woman pilot, Debbie. A Ninety-Nine from eastern Pennsylvania, Bette Roberts, stopped by to say hello and join us for a potluck following the painting. Barbara Sierchio hosted the luncheon at the Ninety-Nines’ building located on Clubhouse Row at Sun ‘n Fun. Both aircraft left well before the front arrived but not before the winds had increased. Michelle’s well-spoken words echoed our sentiments at the time, but not the joyous spirit with which we approached the task. We look forward to many more opportunities to “paint on the ground”.
