Hi Everyone.....

Our June Chapter Meeting and event will be Saturday, June 10, EAA Young Eagles Event

Rita DeBeer's e-mail says it better than I can explain:

" Our EAA Chapter has a gas grill that can be used if needed. We will have a canopy set up to serve the food and for Young Eagles registration. I think we have four tables and several folding chairs for under the canopy.

I will make arrangements to have the key to the WWII barracks building for the 99s to use for the meeting.

We will begin flying the Young Eagles at 9:00 am and usually we are done by 1:00 or 2:00.

I would suggest bringing your own folding chair, if possible, just to be sure you have a seat."

Barbara Sierchio visited her Wed. and she had been up walking the hall with help, of course. So that is a good sign.

The Section Meeting in Fayetteville, NC was very good and the Saturday night dinner at the Museum was a great way to end the day. Here are some photos just received that did not make it into FLIGHTLIFNE

See you at 9 am at the Zephyrhills Airport. We will probably meet 10:30-11am.

Mary
