Chairman's Message

Welcome to summer and Hurricane Season! I hope you have your hurricane plans for both your home and plane ready for implementation and supplies stocked in to avoid that last-minute shopping rush when a storm is approaching.

Our June meeting in Crystal River will be the last until we resume in September. I hope many of you will be able to attend and support CarolAnn Garratt as she presents her record-breaking round-the-world flight details, delights and challenges. The meeting will begin promptly at 10:30 and

end no later than 11:15 so we don't delay her presentation to us and the surrounding community. Gudi and Meredith have been advertising CarolAnn's presentation in local newspapers to get a large audience in the hangar to benefit her efforts for ALS. We will have reserved seats for good viewing. If you haven't experienced her presentation, you will be awed and inspired.

Our agenda's main topic will be the results of the Chapter Focus survey. If you haven't accessed the surveys and given us your input, it will remain

open until the meeting on June 12th. Go to <http://www.surveymonkey.com/s/CTRPKSJ> (for your personal information registry) and then <http://www.zoomerang.com/Survey/WEB229DPVMMNAB> (to register your input for our chapter's focus in the future). The combined surveys should take a little more than 5 minutes to complete and your interest and input is greatly needed. We want Florida Suncoast to be YOUR chapter and meet YOUR needs.

See you on June 12th - Crystal River CGC

Vice Chairman's Corner

Summer is almost here and we only have one more meeting before the summer break. The meeting will be held at Crystal River with a rest speaker CarolAnn Garratt. If you have not heard her before this is a great way to start the summer. We are hoping for a great crowd as it is too good a program to miss. Another treat we have for all attending will be our 2010 Jessie

Woods Scholarship winners. The winners this year are Antoinette "Toni" Barnes who is 12 years old in the 6th grade. Toni is the daughter of Curtis and Julie Barnes and will attend the Space Academy. The other winner is Emily Mae Cannon who is 10 years old and in the 4th grade. Emily is the daughter of Kimberling Browning and will attend the Space

Camp. Congratulations to both girls who are really great representatives for the Suncoast Chapter. Please come and enjoy both CarolAnn and our spacecamp winners. See you at Crystal River.

Shirley Webb Wilkie writes: Last November, I had a fall and it resulted in a large sub-dural hematoma which was discovered in Feb. I had immediate brain surgery and have been recovering since. I cannot drive yet, but am in out-patient therapy at the Bayfront and making lots of progress.
