Vice Chairman's Message

We had a good turn out for our meeting at the Fantasy of Flight but unfortunately we couldn't reach the magical number of 15 people so we couldn't get the special group rate. So we took up a huge table and ordered lunch and had our meeting and it was great! What an amazing place to visit. We truly enjoyed it. Hope you can go there one day.

I took some pictures which will be on our web site for you to view. I would like to start a birthday list if possible? Can you please send me your birth date? It would be nice to know these things.

I am starting to work on next years meetings. Any suggestions, speakers you would like to refer us, or interesting places you would like to go to? Please let me know.

So far Nancy Wright made a great suggestion to have a weather person speak about hurricanes and how to deal with your airplane and home for preparation of hurricanes.

I have a couple of interesting speakers that I may bring to meetings but nothing is definite yet.

I would also like to hold a meeting in my condo with a speaker and a visit to one of the condo's in my building of a seasoned air line pilot who did a very interesting conversion to his condo in an aviation flare. You must see it!

Maybe we'll do a pot luck lunch that day and I'll provide salad and soft drinks? Plan on bringing your family and spending time on the beach if you wish. Just let me know so that I can tell the security in my building to give you an all day parking pass and not just for a couple of hours.

Please let me know any suggestions, I would love to hear from you.

Hope you are having a great summer !!

A message from Barbara Yeninas

Hi all,

Just got an E-mail (see below) from CarolAnn re her dynamic flight Around the World in 7 Days Tour planned to take place December 2008. She's such an ADVENTURER!!!

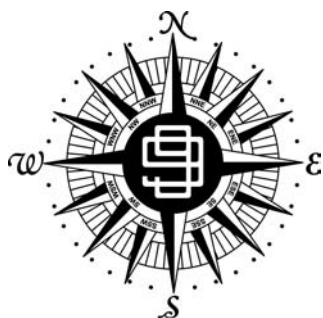

CarolAnn is asking for our 99s support in this great adventure to raise money for ALS - the disease that took her mother. I would like to see; not only our Chapter get involved but the entire Southeast Section becomes a sponsor.

CarolAnn, good friend to the Ninety Nines, is trying to accomplish an enormous undertaking for a great cause!!! Let's all stand tall for a fellow 99 and give her our collective support!!!

Please check out her website at: www.alsworldflight.com

FLORIDA SUNCOAST NINETY-NINES
FANTASY OF FLIGHT
JUNE 14, 2008

MEMBERS PRESENT---Jeanne Burklund (husband Chris and daughter Michelle), Jessica Bylsama, Mary Fletcher (sister Jackie), Marie Grein, Dima Haobsh, Shirley Wilkie (husband Ron), and Barbara Yeninas (husband John)

Dima Haobsh, vice-chairman, called the meeting to order at 11:10 in the café of the Fantasy of Flight attraction. Jeanne Burklund, treasurer, presented the treasurer's report, which was filed for audit. Marie Grein, secretary, reminded members the minutes of the last meeting were printed in the newsletter. Minutes were accepted as printed.

Committee reports:

Membership--Barbara Yeninas, chair, stated Debby Palmer's brother died of cancer.

Ways 'n Means / Scholarship--Dima stated Chase, the company for which she works, has a policy of contributing to non-profit organizations. She is busy gathering the paperwork for the company, which indicates Florida Suncoast Ninety-Nines is a 501 (3) c organization. Any money received would be earmarked for scholarships.

Ad Hoc committee--Fall Section Meeting

1. Mary Fletcher, co-chair, is preparing the registration form. Side one is finished but she is still working on side two, the actual registration form. Registration will be \$65.00.

This form will be posted on the SE Section website and the FL Suncoast website. In addition, Marie run sufficient copies and mail one to each chapter chair.

Friday evening--will probably be held in the hospitality room. Nancy has further information.

Barbara Yeninas, chair of the food, will complete her plans once she has an idea of the number of people attending.

Only 15 rooms have been reserved.

New Business:

1. Members present reviewed the proposed amendments to the existing By-laws and Standing rules. The delegates, Barbara Strachan, Barbara Yeninas, and Marie Grein, will vote according to the chapters' wishes. If there is a second vote on various amendments, the delegates may vote using the additional information as their guide.

Shirley Wilkie asked what the money collected during the Fly for Cancer activity was used for. She was directed to contact Donna Moore who has been in charge of that activity for years. Shirley hopes the Fly for Cancer activity would "provide funds for uninsured women to have mammograms". Dima suggested Shirley serve as chair of a committee to look into this and come up with other possible ways to collect money.

The September meeting will be held at the Crystal River Airport. Meredith Kupcho will be the hostess.

Marie Grein, Secretary
