The following report from Nancy Wright tells of the successful Breast Cancer Fly-in, October 14. Nancy writes:

The Southeast Section held its first fly in for the breast cancer research fund and \$1400 was raised. It was a beautiful day and I opened the 99 Building for us to gather and gab.

Sun'n Fun let us use the Cessna Center and Florida Barbacue fed us. Rod Hamlet, owner and operator, donated the lunch. This made his donation a whopping \$558. Everyone enjoyed the bar-becued chicken, cole slaw and baked beans. What a nice thing to do.

Nine Planes flew in and were greeted and parked by our Governor, Marie Green.

I donated several raffle prizes which consisted of: A Jessie Woods book and picture, an Amelia Earhart Doll, a North Carolina Flying Hat, an airplane pillow and a tea set. We made \$100 on the raffle.

We were very fortunate to have the insurance for the day donated by Marie Grein.

Kudos to Tamera Sheffman for all of the work she did while I was sick. It was very much appreciated.

Tamera and I would like to thank everyone who attended and who donated. Members of the Gold Coast, the Suncoast and Spaceport Chapters as well as some Grasshoppers. As this was our first year, we were pleased by the results.

Thank you all very much.
Nancy & Tamera
